

SAND POINT

FAMILY VINEYARDS

At Sand Point, we think nature has its place – and that place is in and around our vineyards. We’ve restored the riparian habitat where our ranch meets the Mokelumne River – including the spot that gave Sand Point its name. Since then, we’ve brought nearby sloughs back into natural balance and surrounded our vineyards with 15-foot-wide swaths of native plants and trees, inviting bugs, birds and animals to make themselves at home. In return, the healthy soil and water nourishes our vines. Wild? Yes... but to us, it’s following in nature’s footsteps.

TASTING NOTE

An immediately approachable wine, offering aromas and flavors of dense ripe strawberry and cherry cola. With French and American oak aging, there is a hint of soft spice that melds into the opening notes, creating a smooth and balanced wine that is easy to enjoy.
